

**Dear fans, friends, fellow musicians, blues lover and visitor,**

**I'd like to thank each one of you who enriched my website by leaving a nice, sweet, cool or encouraging entry in my guestbook! I really appreciate all the comments and feedback.**

Unfortunately, in the past few weeks my guestbook got swamped again on a daily base with spam entries leaving me with quite some work deleting all these annoying messages.

Although new technology has been implemented to prevent the automatic creation and publishing of guestbook entries from spam robots, I once again found my guestbook getting more and more swamped with annoyingly stupid spam entries.

As you might understand, I prefer using my time focusing on my music rather than waisting it with cleaning up the mess these spammers are leaving on my website. For that reason, I've decided to temporarily close down my guestbook. The guestbook will still be online for viewing, however there will be no possibility to add new entries for some time.

I apologize for the inconvenience this may cause to some of you, but I'm confident you can understand and support this decision. After all, time spent on my music is certainly more productive than time waisted on spammers.

Bluesly Yours,  
Vivian Vance Kelly
